**PHONE SCAM**

As we approach the Holiday Season, the Elsmere Police Department has noticed there has been an increase in fraudulent phone calls. Citizens are being contacted by phone numbers they are not familiar with and are being asked for their personal information. These citizens are then being told that they have a warrant out for their arrest and unless they send money or gift cards to the caller they will be arrested. Please be advised that if you receive any calls of this nature, DO NOT give out any of your personal information and hang up immediately. No Police Department or Government Agency will ever attempt to contact you asking you to send them money or gift cards. If you receive, any of these calls please call 9-1-1 to report it.
