Helping a Resident In Need

On Saturday, August 21, 2021, M/Cpl. Kerrigan was dispatched to the 300 block of Olga Road to assist an elderly resident. Upon arrival the elderly resident explained that they were bed ridden, but has two visiting nurses every day. However, the TV remotes batteries were not working. M/Cpl. replaced the batteries and noticed that the temperature in house was extremely warm. (Outside temperature was 84). The resident advised that their air conditioning unit broke and it would cost \$4,500 to repair it. M/Cpl. contacted the Elsmere Police Needy Family Fund and was authorized to purchase an AC window unit that has a remote control.

This is just another great example of an officer going the extra mile to assist a person in need!
