Summer Stormwater Management Tips

1) Wash your car at a car wash. Soapy run-off from vehicle washing in your driveway can enter the stormdrain, however commercial car washes filter and re-use their water.

2) Raise your mower height. Raising your mower height to at least 3 inches will allow your yard to absorb more rain water.

3) Do not blow grass clippings off of your property. Grass clippings can carry fertilizers into the creek. Either bag up grass clippings, or recycle them on your yard to return vital nitrogen to your lawn.

4) Increase your garden area. Plant native shrubs, trees and perennials on your property. Native plants can absorb more stormwater than turf grass and provide habitat areas for wildlife.

CODE ENFORCEMENT DEPARTMENT

11 Poplar Avenue
Elsmere, DE 19805

Town of Elsmere

Residential Property Maintenance Guide

The Town of Elsmere has adopted a number of ordinances in order to maintain a safe, healthy & great environment to live, work & play. Some of the ordinances that were adopted help improve the appearance of our community as well as respond to health & safety concerns. If you would like more information regarding these laws or to submit a complaint, please contact the **Code Enforcement Department** at (302) 998-2215.

Typical code violations:

High Grass, Weeds & Trees

1. Weeds, trees or landscaping must not overhang or impede any public right of way & must be trimmed back away from sidewalks, alleys & streets.
2. Grass must not exceed **8 inches** in height.
3. Dead, decaying or fallen trees must be removed.

Personal Property, Trash & Debris

1. Items such as but not limited to furniture, automobile parts, appliances, scrap materials & accumulation of garbage must not be stored on the property.
2. Items such as those listed above must be either stored in a shed, garage or, if it is garbage, in the proper trash container.

Trash Collection

1. Trash, recycle & yard waste containers must be stored in the rear or side yard of the property other than collection day.
2. Trash, recycle & yard waste containers may be placed out for collection the day prior to collection day only **AFTER** 5:00pm & pulled back on the evening of collection.

Work That Requires A Permit

Town of Elsmere Permits are required for most jobs including but not limited to:

- Sheds over 120sq.ft.
- Doors/Windows
- Siding
- New Roof & Reroofing
- Water Heaters
- Driveways
- Decks
- Demolition
- Pools

Housing Code Violations

1. Windows, doors, fences & sheds must not be decaying, broken or in disrepair.
2. Buildings, walls or additional structures must not be deteriorated as to show decay, peeling paint, chalking, dry rot or warping.

Abandoned Vehicles

Any vehicle located on the property or parked on the public roadway that is unregistered, unlicensed and/or appears to be inoperable (flat tires, dismantled or wrecked) must be removed from within Town of Elsmere incorporated limits.

*** Bulk Pick-Up Information ***
